First Day of School

- Most teachers will give students a syllabus on the first day of school which will include a suggested class supply list.
- Bring paper or spiral notebook with a pen and pencil to take notes.
- If your child has an NMUSD issued Chromebook, please have them bring it charged.
- Bring a snack, lunch, and water bottle.
- Students could organize themselves by having an even day binder for classes on even days and an odd day binder for classes on odd days. However, some teachers may require a dedicated binder for that class.
- PE teachers will let kids know when they need to bring their PE clothes. Not needed first day.
- CdM uses Schoology to track student assignments and grades.

Important Visitor Information

- For safety reasons, ALL visitors are required to check in at the front office (where your driver's license will be scanned into the Raptor system), sign in, and obtain a visitor sticker and parking permit.
- Parking permit is date stamped and must be visibly displayed or you may get a ticket.
- You can park on the street without a permit, but be aware of street sweeping days.
- Use patience and SLOW DOWN in the parking lots and nearby streets. Please remember there are a lot of young drivers at CdM.

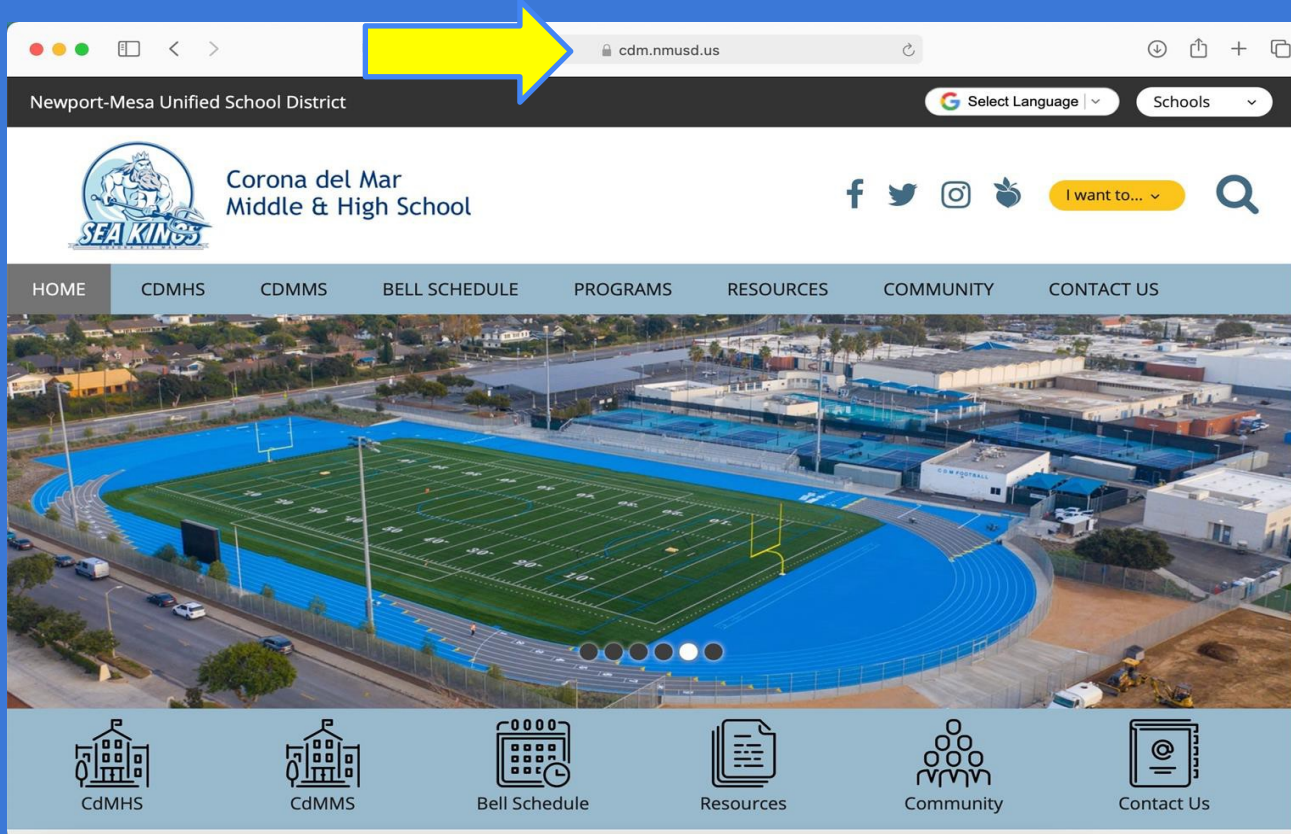

FAQs

- Can I drop off forgotten school work or PE Clothes?
 - Please put your students name visibly marked on the item & drop it off at the MS front office for MS students. Items will not be delivered to your child during class & your child will need to come pick up item.
- How does snack break and lunch work?
 - Students get a short morning break, so pack a quick snack & drink as well as a lunch for your child. There are water bottle filling stations at various places on campus to refill water bottles.
- Can I drop off lunch for my child?
 - You can drop off a lunch for your child, but you need to make arrangements in advance and give it directly to them. There is a table outside of the MS and HS offices to place them on, but the school is not responsible for lost or tampered with lunches. No Doordash, UberEats, Grubhub or Postmates deliveries are accepted by the offices.

FAQs

- What if my child is absent?
 - Call the attendance line at (949) 515-6005 and leave a voicemail
- What if my child feels sick at school?
 - Teachers will give your child a pass to the nurses office and the school nurse will call you if needed. If your child goes home sick, you will need to park, sign in, and come to the nurse's office. The nurse will check your child out with attendance. Access through HS office.
- What if I need to check my child out for an appointment?
 - Send your child with a signed/dated note and take to the attendance office to receive an off campus pass. MS students can also do this at the MS office. Alternatively, you can meet your child at the attendance office and sign them out in person.
